Continuation of Substance of Interview including description of the general nature of what was discussed:

The purpose of the interview was to better understand the intended meaning of the claims (particularly claim 1). It was determined that the claims were generally directed to a visual development environment where a user defines a process in terms of a tree structure. However, the applicants' representative indicated that the meaning and interaction of the particular claim terms would require input from his client. As of 6/10/10 this input had not been received..
